## New York, NY: Cooper Union

Wednesday, April 20th

Edward Mazria will take the stage at Cooper Union's historic Great Hall next week to deliver the lecture, [Architecture: On the Brink](#). He will explore how the built environment is the major driving force behind current global events tied to energy, climate change, and the economy and visually illustrate its transformation, which is currently underway. He will discuss the significance of this transformation and what is being done to accelerate it.

**6:30pm. Cooper Union, Great Hall.**

**Free for AIA members with RSVP, and Cooper Union students with Membership ID at the door.**

**\$5 for all other students with ID. \$15 for general public.**

**Presented by AIA-NY COTE with support from Con Edison. Register [here](#).**

*View from the podium of a painting of President Abraham Lincoln, hanging on a rear wall in the Great Hall at Cooper Union, where, in 1860, President Lincoln delivered his famous Cooper Union Address that helped elect him to the presidency. Since then, the Great Hall has served as a platform for addresses by Presidents Grant, Cleveland, Taft, Wilson, Theodore Roosevelt, Bill Clinton, and Barack Obama, and other luminaries such as Senator Edward Kennedy, Henry Kissinger, and Norman Mailer.
