Support the 2030 Challenge Stimulus Plan

The 2030 Challenge Stimulus Plan is generating excitement and gathering steam on Capitol Hill. Please add your support and vote for it as one of the "Top 10 Ideas for America" at Change.org by December 30th, 2008. (http://www.change.org/ideas/view/the_2030_stimulus_plan)

The "Top 10 Ideas for America" will be presented to the Obama Administration on Inauguration Day. Change.org will then build a national campaign to advance each idea in Congress.
